

Granby Chamber of Commerce

Granby 225 Banner Sponsorship

2011 is Granby's 225th Birthday. To help celebrate we are going to be decorating the town with banners. The banners will be double sided and will have the Granby 225 logo, the chamber logo and a sponsor's name. They will be made of high density vinyl and reinforced stitching to help maintain them throughout the year. There will be many areas around town to choose from on a first come basis.

The locations were chosen because of their high traffic and high visibility to the banners. If you own a business with light poles and would like to have the banners hung there please give the Chamber a call.

The pricing for the banners will be given a quantity basis.

If you have any questions please contact Jon Rechenberg at Jrechenberg@Carillo.com or 860.416.6091.

Feeling Generous? Sponsor an organization or youth group on their behalf, i.e. Boy or Girl Scouts.

Granby 225 Banner Fundraiser Order Form
